**DETAILED ACTION**

***Examiners Amendment***

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
2. Authorization for this examiners amendment was given in a telephone interview with Leonard Diana (Reg. No. 29,296) on August 12, 2010.

Claim 1, line 7, "a diagnosis report" has been changed to "the diagnosis report".

Claim 9, lines 6-7, "the image reading report" has been changed to "the diagnosis report".

***Allowable Subject Matter***

1. Claims 1-16 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1, 6, 9 and 15 are allowable over the prior art of record because none of the prior art of record teaches the combined claimed elements as set forth in the claims 1, 6, 9 and 15.

None of the prior art of record teaches or fairly suggests that medical image handling system/method that is configured to process a control of judging presence or absence of an inputting of a diagnosis report corresponding to the medical image displayed on the monitor wherein the diagnosis report corresponding to the medical image displayed on the monitor includes information input by the user while viewing the medical image, displaying an image for inputting a diagnosis report corresponding to the medical image displayed on the monitor in case where the input of the diagnosis report is judged to be absent, and restricting a change of displaying the medical image in case where the input of the diagnosis report is judged to be absent, and together with combination of other claimed elements as set forth in the independent claims 1, 6, 9 and 15. Therefore, the claim 1, 6, 9 and 15 are over the prior art of records.

Claims 2, 3, 5, 10-12 and 18 are allowed because they are depended on independent claims 1, 6, 9 and 15.

Any comments considered necessary by applicant must be submitted no later than payment of the issue fee and, to avoid processing delay, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reason for Allowance."
